

Accounting Capstone Certification

About this capstone

The **Accounting** capstone is a comprehensive certification earned upon successful completion of the following required certifications. This structure validates a learner's skills across the core areas of accounting and demonstrates readiness for advanced roles.

Required certifications

- [Accounting 1](#)
- [Accounting 2](#)
- [Accounting 3](#)

Capstone description

The Accounting capstone brings together multiple certifications to confirm well-rounded expertise. Learners who achieve this capstone have demonstrated competency in foundational double-entry accounting, payroll and merchandising operations, and advanced financial and managerial accounting concepts. Each module evaluates a distinct area of knowledge and skill, and together they reflect the comprehensive preparation required for success in the accounting profession.
