## Capstone description

The Commercial Art capstone assesses learners' growth across foundational, intermediate, and advanced levels of artistic and design practice. Commercial Art 1 introduces basic techniques in drawing, painting, and computer graphics. Commercial Art 2 builds on these skills with an emphasis on design software, concept development, and layout creation. Commercial Art 3 focuses on advanced design principles, portfolio creation, and mastery of professional media techniques. Together, the three certifications confirm readiness for careers in commercial art, graphic design, and related creative industries.
